

**ADVANCE INSURANCE CONSULTANTS INC**

## **We are Specialized in Insuring Contractors**

As an insurance agency, Advance Insurance Consultants understands the unique risks and challenges faced by landscapers and provide them with comprehensive insurance coverage that meets their specific needs.

Landscaping businesses face a wide range of potential risks, from property damage and bodily injury to theft and equipment breakdowns. Without the right insurance coverage, these risks can pose a significant threat to a landscaper's business and financial well-being.

## **Types of Insurance in Lawn Care**

- General Liability Insurance
